CORPORATE PROFILE

"EMPOWERING YOUR BUSINESS"

## ABOUT US

**VALIOSA SERVICES GROUP (VSG)** is a premier multiservice outsourcing company providing innovative, reliable, and scalable solutions tailored to meet the operational needs of leading organizations.

Built on a foundation of trust, integrity, and performance, VALIOSA delivers a unique blend of People Solution, Facilities Management, Specialized Services and Project Management. Our workforce is guided by experienced leadership, local expertise, and a shared commitment to excellence.

We partner with a diverse range of clients, helping them optimize their operations, reduce costs, and achieve long-term success. Our tailored solutions and strategic insights empower organizations to thrive in a competitive landscape, ensuring sustainable growth and excellence in every aspect of their operations.

# VISION & MISSION

## VISION

---

To be a catalyst for sustainable growth in Saudi Arabia, empowering businesses to perform more effectively and efficiently, while setting new industry standards.

## MISSION

---

To deliver exceptional outsourcing services that optimize our clients' operations and infrastructure, driving success and fostering sustainable growth.

"EMPOWERING YOUR BUSINESS"

# OUR VALUES

## INTEGRITY

We are committed to the highest standards of honesty, transparency, trust, and fairness.

## EMPATHY

We immerse ourselves in your business to understand your challenges and provide tailored solutions.

## INNOVATION

We challenge assumptions, encourage creativity, and anticipate change to stay ahead.

## ACCOUNTABILITY

We take full ownership of our decisions and actions, ensuring responsibility and reliability in all we do.

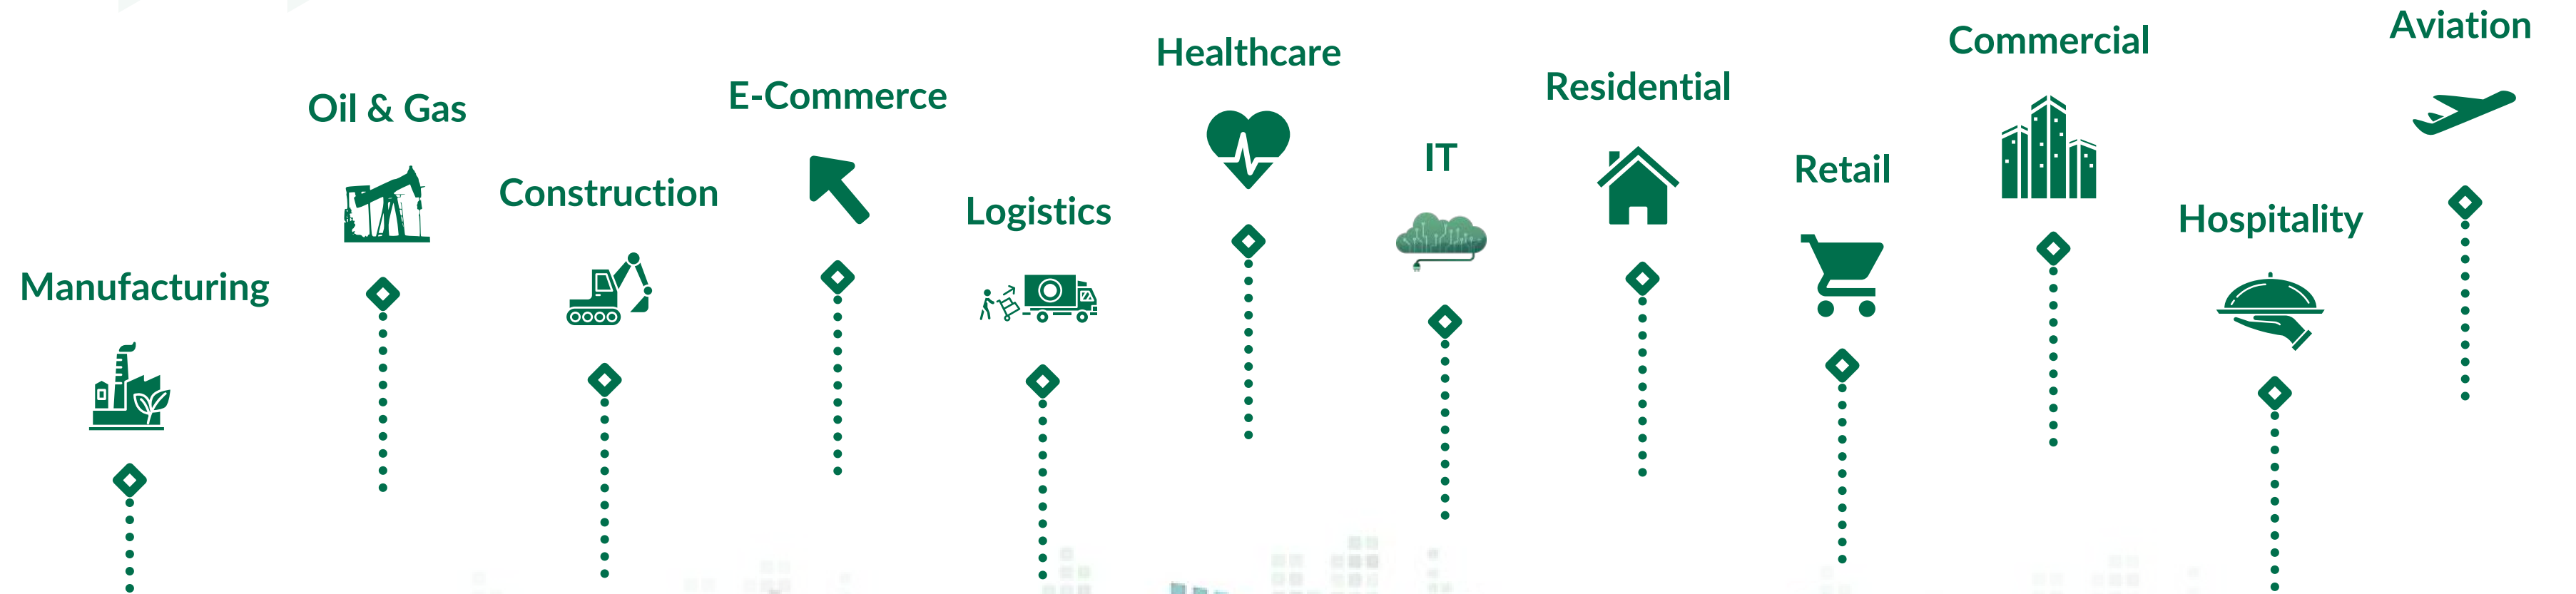

# CENTER OF EXCELLENCE

The Center of Excellence (CoE) is at the forefront of innovation, consistently leading with a clear focus on key areas. By exploring and adopting cutting-edge technology tools, techniques, and best practices, the CoE is setting new standards in excellence. Their dedication to these areas ensures they remain a leader in driving technological advancements and fostering a culture of continuous improvement.
